## Head of the NSB meets with representatives of the United States Congress

---

**Wednesday, 11 January 2011. Minister Koziej met with representatives of the United States Congress - senator Mark Kirk and member of the House of Representatives Mike Quigley.**

Both congressmen are engaged in the project of abolition of visas for Poles travelling to the US.

The parties discussed construction of NATO missile defense elements in Poland, strategic guidelines of US defenses announced by President Obama on 5 January as well as bilateral relations.
