## Ambassador Lee Feinstein visits BBN

---

Friday, 17 August 2012. Head of the National Security Bureau, Stanisław Koziej met with the US Ambassador to Poland, Lee Feinstein. The parties discussed a project of modernizing air defense capabilities of Polish Armed Forces presented by the President of Poland, Bronisław Komorowski.

Other subjects discussed concerned aspects of Polish-American cooperation, including Poland's participation in NATO missile defense system and stationing plans of the US air defense unit in Poland as of autumn 2012.
