Members of the German Bundestag visit the NSB

Tuesday, 21 June 2011. The Head of the NSB Minister Stanislaw Koziej meets with the members of the Bundestag.

The visitors familiarized with the structure and rules governing the functioning of the Bureau as well as the scope of the National Security Strategic Review.

During the meeting the parties discussed the issues relating to, among others, current threats to the Euro-Atlantic area, missile defense and priorities for Polish presidency of the Council of the EU relating to the Common Security and Defense Policy.

Moreover, the discussion included also current challenges that the NATO faces, such as operations in Afghanistan and Libya.
