National Security Strategy of the Republic of Poland

The National Security Strategy of the Republic of Poland was approved on 12 May 2020 by the President of the Republic of Poland upon request of the President of the Council of Ministers.

The National Security Strategy of the Republic of Poland is a basic state document regarding security and defence. The draft strategy, based on BBN's recommendations, was prepared by an inter-ministerial team. Following the approval of the draft by the Council of Ministers, the strategy was approved by the president.
