Poland congratulates Trump on presidency

„On the day of your swearing-in as the 47th President of the United States of America, please accept heartfelt congratulations from the Polish people,” Andrzej Duda wrote in a post on X on Monday.

„Our countries are bound by years of friendship and faith in the same values: freedom and democracy. I am convinced that your presidency will continue to favour the strengthening of these bonds on the political, security and economic levels,” the Polish leader added.
